

Connect with the Weingarten Center

The Weingarten Center accompanies students along their academic journey through a range of services and programs.

Academic Support

Learning Specialists assist students in further developing their strategies for coursework and study through individual consultations and group workshops.

Study Strategies

Time Management

Exam Prep/Taking

Academic Reading and Writing

Communication and Engagement

Tutoring Services

Tutors help undergraduate students develop mastery of course material by leading discussions and activities that reinforce in-course learning. We provide opportunities to meet with a tutor in a variety of formats.

Drop-In Tutoring

Drop-in support in
Houston Market for our
most in-demand courses.

Direct Schedule

Use our **scheduling
system** to find a tutoring
session that fits your needs.

Disability Services

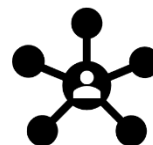

The University of Pennsylvania is committed to the accessibility of its programs and services. Students with a disability or medical condition can request reasonable accommodations through the Weingarten Center website. Disability Services determines accommodations on an individualized basis through an interactive process, including a meeting with the student and a review of their disability documentation.
